

# DIGITAL CITIZENSHIP & ACCEPTABLE USE POLICY

# What is Digital Citizenship?

**What privacy do I have when using the district's electronic resources?**

# Does the district monitor my personal device?

**Can the district monitor my device  
when I am not at school?**

**Is the district  
required to report  
illegal activity?**

# How does the district monitor electronic devices?

# What do I do if someone sends me inappropriate content?

# What is considered cyberbullying?

# Can I get in trouble if I violate the AUP or Device Handbook?

If my device is collected because I did not follow the AUP, how will I do my work?

# Is the district required to provide me with a device?

**What happens if I bypass the content filter which protects me from accessing inappropriate content?**

# What responsibilities do I have when using the district's electronic resources?

- I understand that I represent the school district in all my online activities.
- I understand that what I do on social media should not reflect negatively on my fellow students, teachers, or on the District.
- I will use technology resources productively and appropriately for school-related purposes.
- I will avoid using any technology resource in such a way that would disrupt the activities of other users.
- I will use digital communication (email, texting, video, and photo sharing apps) with the understanding that I am creating a digital reputation.
- I understand that my school network and my school account are property of Mansfield ISD and anything that I do can be monitored.
- I understand that District administrators will deem what conduct is inappropriate use if such conduct is not specified in this agreement as outlined in the MISD Student Handbook.
